

## Bug Report

Summary	Environment	Steps to Reproduce	Actually result	Expected Result	Data
<b>The Credit page. We can input negative value</b>	<ul style="list-style-type: none"> <li>• Browser: Google Chrome 73.0.3683.103</li> <li>• Screen Size: 1440 x 900</li> <li>• OS: macOS Mojave 10.14.4</li> <li>• Mozilla/5.0 (Macintosh; Intel Mac OS X 10_14_4) AppleWebKit/537.36 (KHTML, like Gecko) Chrome/73.0.3683.103 Safari/537.36</li> </ul>	<ol style="list-style-type: none"> <li>1. Open the Credit page</li> <li>2. Enter in the Amount field «-1»</li> </ol>	There isn't any message about an error under the amount field and we see «-1» in it. (With this value we will be redirected to the next page)	There is a message about an error under the Amount field or had to converted to positive number «1». (It depends on requirements.) <b>The credit page. Wrong image if we input amount more than 22 digits.</b>	—	<ol style="list-style-type: none"> <li>1. Open the Credit page</li> <li>2. Enter in Amount field more then 21 numbers (1000000000000000000000 (22 digits))</li> </ol>	After input we see value = «121»	We aren't able to input more than 21 digits or we have to see correct value which we put into this field and an error message under the amount field. (It depends on requirements.)	Credit page: <a href="https://app.fincompare.de/wizard/products/credit">https://app.fincompare.de/wizard/products/credit</a>
<b>If we open the Register page from url (register page) verification doesn't work</b>	—	<ol style="list-style-type: none"> <li>1. Open the Register page</li> <li>2. Click on the Submit button</li> </ol>	Messages about errors under required fields aren't exist.	Messages about errors under required fields are exist.
